Criminal Revision No. 525 of 2001
(Old No. 575/1994)

Hon'ble Irshad Hussain, J.

None appear for the revisionist.

The revision was preferred against the order of the Sessions Judge to proceed to frame charge against the revisionist-accused. No stay against the order was granted and by now the trial must have concluded according to law.

The revision infact has been rendered infructuous and the same is hereby dismissed. Consign.
